4. Asphalt shingles
5. Tires
6. Dirt
7. Freon-containing appliances
8. Batteries

Don't forget to bring your most recent City of Athens utility bill and a valid Driver's License!

AVAILABILITY & ACCESS

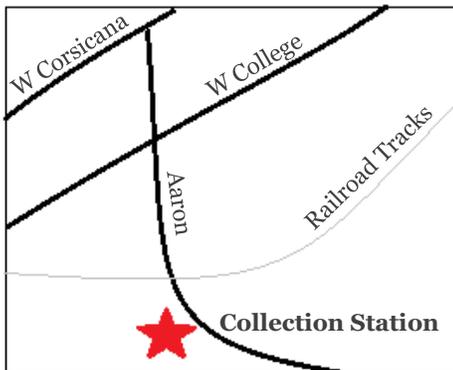

The Athens Community Collection Station is available for use by the public on Saturdays of each week. The station accepts trash refuse, tree brush/limbs and glass recycling. Access to the collection station is only available to residents of Athens. Refuse and brush brought to the collection station must be residential in nature; no commercial dumping is allowed.

SECURING WASTE

Refuse and brush must be tarped, tied down or secured in such a manner as to reasonably guarantee that no debris will blow off or fall from a vehicle in transport to the collection station. Proper securing of debris is determined by the collection station attendee. Refuse or brush not properly secured will be charged double fees.

FEE SCHEDULE

Type of Vehicle or Trailer	Amount
Car or hatchback	\$3.00
Pickup truck	\$8.00
Pickup truck (with sideboards)	\$16.00
All other vehicles	\$5.00 per cubic yard
Glass recycling (excluding blue glass)	No Charge

PROOF OF RESIDENCY

All users of the Community Collection Station must present a City utility bill dated no later than 30 days from the day of using the collection station. A legal driver's license must also be presented by the vehicle driver.
