

City of Athens, Texas

Request for Quotes Memorandum

Agenda Date: 11/16/2016

DEPARTMENT: Parks, Recreation and Culture

CONTACT: Shannon Easley; 903-677-6661 or seasley@athenstexas.us

SUBJECT: Bricklayer Solicited for Park Project

REQUEST FOR QUOTES:

The City of Athens is currently soliciting quotes for the services of a bricklayer to construct backstops and dugouts at two softball fields at Cain Park. The dimensions for the brick components of the field are as follows:

1. Wall/Backstops – 130' x 1' x 3' – (Walls to be 3 layered and capped on top) – Total number of walls: 2
2. Dugouts – 30' x 7' x 7' double bricked – (Dugouts will be open in the front) – Total number of dugouts: 4

The City is in possession of brick for the project, via a donation from Forterra Brick (Athens, TX). Modular brick will be used and (factoring in waste) it is anticipated that the project will require 37,000 bricks.

Quotes submitted must include the cost of labor and all other supplies needed for construction, excluding brick (ex. sand, mortar, etc.).

Submission of quotes or any questions should be directed to Shannon Easley, Parks Superintendent.
