IMPROVEMENTS SURVEY

Member Stewart called the meeting to Order.

Member Grant explained that modifications have been made to the Aircraft Traffic Survey, targeting aircraft that needs a 5,000-6,000 ft. runway and weighs less than 60,000 lbs. He recommended that the survey be sent to Texas Department of Transportation Aviation Division for approval, then sent to interested individuals within a 350 mile radius. He explained that a mailing list could be purchased from Airpac Aviation Mail Lists at an approximate cost of \$80.00

Mayor Jerry D. Vaught recommended that the survey be modified to include a commitment to use Athens Municipal Airport, if the runway was extended.

After discussion, it was the understanding that the survey would be modified, the City of Athens would order the mailing list from Airpac Aviation Mail Lists, and the Board would reconvene in two (2) weeks.

PASSED AND APPROVED THIS THE 5TH DAY OF DECEMBER, 2013.
