UPDATE/DISCUSSION REGARDING PROPOSED IMPROVEMENTS AT  
ATHENS MUNICIPAL AIRPORT

Mayor Vaught called the meeting to Order. He explained that the purpose of this meeting was to discuss the distribution of Aircraft Traffic Surveys to interested parties that might utilize Athens Municipal Airport if the runway was extended. He explained that there will need to be 500 new operations to qualify for extension of the existing runway.

Steve Grant, Airport Advisory Board Member, discussed the possibility of obtaining surveys that would warrant a 5,000 ft. or 6,000 ft. runway. He proposed that a mailing list be purchased from Airpac Aviation Mail Lists at a cost of \$80.00 that could be customized based on the criteria submitted.

After discussion, it was the consensus to schedule another workshop on September 24, 2013 at 2:00 p.m. to further discuss airport improvements and a database for mailing surveys.

PASSED AND APPROVED THIS THE 28<sup>TH</sup> DAY OF OCTOBER, 2013.
